

TinyVoice Twins — Quick Start for Testers

GETTING STARTED (5 MINUTES)

Step 1: Open the app

- On your phone, tablet, or computer, open this link:
<https://tiny-language-app.vercel.app/>
- The app will load in your browser.

Step 2: Install as an app (recommended)

- Look for a prompt at the top of the screen saying "Install" or "Add to Home Screen"
- Tap it → the app installs like any other app
- Now you can open it anytime from your home screen, even offline!
- (No prompt? That's okay — you can still use it in the browser.)

Step 3: Meet the app

- The first time you open it, you'll see a friendly setup screen asking "How many children?"
- Pick 1 or 2, name the child/children, and tap Play

EXPLORING THE APP

From the Home Screen

You'll see:

- Seven colorful world buttons (My Body, Things I Do, Safari Island, etc.)
- Three dots (⋮) in the top-right — this is the Parent Dashboard (see below)
- Pip the frog mascot in a speech bubble, ready to help!

Playing in a World

1. Tap a world (e.g., "Safari Island")
2. See a picture, hear a warm voice say the word — tap the big card to hear it again
3. Tap the colorful chips below to hear short phrases ("Big elephant", "Elephant runs", etc.)
4. Try the games:
 - Listening Game — listen to a word, then tap the right picture
 - Twin Mode — take turns naming animals (if you set up 2 children)

Other fun things to try

- Collection — every word you learn becomes a collectible friend ★
- Sing with Pip — tap the musical note for 13 children's songs
- Word Board — tap the grid icon for a speech-therapy communication board
- Rest — see how much screen time is left before quiet time

PARENT DASHBOARD (THE THREE DOTS ...)

How to access

- Tap the ... (three dots) button in the top-right of the Home screen
- You'll see a summary of what your child learned today

What's in there

- Insights — words heard, favorite world, top words
- Children — manage profiles (rename kids, switch between 1 or 2)
- Songs — toggle which songs are available
- Feedback form — scroll to the bottom and look for the Google Form link

GIVING FEEDBACK

After testing, we'd love to hear from you!

1. Go back to the Parent Dashboard (... button)
2. Scroll to the bottom — you'll see a feedback form link
3. Tap it and fill it out — tell us what you loved, what confused you, and what could be better

TIPS FOR TESTING

- ✓ Play naturally — explore what feels fun to you and your child.
- ✓ Notice rough spots — if something feels clunky or confusing, jot it down
- ✓ Try different worlds — each one is different (colors, animals, body parts, songs)
- ✓ Test on different devices if you can (phone, tablet, laptop) — they all work!

BEST PART YOUR FEEDBACK WILL HELP SHAPE THIS SPEECH THERAPY APP.
